Turbo "F**k The World"

Visit "F**k The World" on MotoLyrics.com

No use in kneeling down
When there's no tomorrow
I feel it coming on like never ever before
So let your tanks roll on
When there's no tomorrow
Coming on so strong
Because baby, you know I need some more and more
and more

That's what I say, that's what I say and I just said it That's what I want, that what I want and I'm gonna get it

So hey now, hang on While I fuck the world Gimme just a minute While I fuck the world

There's a powerline
And I want to taste it
Tonight I'm feeling fine
Because I heard that denim's back in syle
I've been doin time, but I nevr waste it
I'm going power blind, so I can see for mile and miles
and miles

That's what I say, that's what I say and I just said it
That's what I want, that what I want and I'm gonna get it
I'm feeling good, I'm feeling great, Ain't gonna hide it
I'm gonna grab the globe, I'm gonna ride it
I've got razorblade lips
I'm gonna kiss some wrists

So hey now, hang on
While I fuck the world
Gimme just a minute
While I fuck the world
One more time
Hey now, hang on
While I fuck the world
Because tonight I'm feeling sexy
Gonna fuck the world

Forever
