Hey, Hank who are you?
Who said that?
What's with the hat and the cain?
Are you really insane?
Or is it just a game?
Something you ain't

Hey, Hank what's up with the eyes?
Is it just a disguise - you know?
Something you're trying to hide
Something deep inside

So shutup - shutup
Put your denim on and stay free
And get up get up
Shake your leather off and stay free

Hey, Hank what do you want back-off?
What's up with the cape?
With the ape that you raped?
And your heart full of hate?
Was it worth the steak?

Hey, Hank is it true that you died?
Or is it simply a lie?
That you know you sacrificed a life
To the gods up high

So shutup - shutup
Put your denim on and stay free
And get up get up
Shake your leather off and stay free

So when you see me in my denim dream
You know I play for keeps
You know I'm trying just to keep it clean
Because I'm a freedom machine such a freedom
machine

Treasure
So shutup - shutup

Put your denim on and stay free
And get up get up
Shake your leather off and stay free
Gotcha
