Organic weed, mysterey weed, just purple cush!

I cut the the rear weld, on my whip, and filled that bitch

Monster up', suck up to none, don't be no poodle

Split his pack open like pack of Top Ramen noodle

In the heart of the soil, where you can find me

Try me fuck boi', and get your face put on a white tee

40, Turf Talk and Keak the Sneak

They maynee' ass voices, and they styles is hekka
