Take everything that I'm giving to you now  
Desire burns us tonight  
On the top of the mountain I will ride  
Your durability I inspect  
There is no end for this ecstasy  
Breeding in flames of lust today  
Under your power, commands I will obey  
Just do what you need, because we both deserve to  
bleed  
Shuttle is bursting to venus  
(Hey hey hey hey)  
Ho lets go I want to get it all out now  
The beast is waiting to be released  
Ou yeah  
Hairy dice and blood red lace  
Final lap for the human race  
The perfect end for the life on earth  
Breeding in flames of lust today  
Under your power, commands I will obey  
Just do what you need, because we both deserve to  
bleed  
Shuttle is bursting to venus  
Breeding in flames of lust today  
Under your power, commands I will obey  
Just do what you need, because we both deserve to  
bleed  
Love ride is bursting to venus  
Breeding in flames of lust today  
Under your power, commands I will obey  
Just do what you need, because we both deserve to  
bleed  
Toyota is bursting to venus YEAH!
