what did you expect some kind of character assassin  
someone to justify fears that you cultivate and cast  
you as a victim tell me what is it like to live in  
fear of betrayal when every man your enemy when  
every  
man your bane how can you ever expect to command  
respect when disgrace and distrust are all you offer

the world how can you ever attempt to bury the fear  
when you don't even know what it is you run from bury  
the fear bury your demons what were you waiting for a  
volunteer scapegoat to take one final stab at your  
confidence and kill the last of your trust every man  
the enemy bury the fear bury your
