Just an old fashioned love song  
Playing on the radio  
And wrapped around the music is the sound  
Of someone promising they'll never go

You'll swear you've heard it before  
As it slowly rambles on and on  
No need in bringing 'em back  
'Cause they've never really gone

Just an old fashioned love song  
One I'm sure they wrote for you and me  
Just an old fashioned love song  
Coming down in three part harmony

To weave our dreams upon and listen  
To each evening when the lights are low  
To underscore our love affair with tenderness  
And feeling that we've come to know

You'll swear you've heard it before  
As it slowly rambles on and on  
No need in bringing 'em back  
'Cause they've never really gone

Just an old fashioned love song  
Coming down in three part harmony  
Just an old fashioned love song  
One I'm sure they wrote for you and me

Just an old fashioned love song  
Coming down in three part harmony  
Just an old fashioned love song  
One I'm sure they wrote for you and me

To weave our dreams upon and listen to a song  
Just an old song coming down  
Just an old song  
What I'm sure they wrote for you and me

Just an old fashioned love song  
Coming down in three part harmony

Just an old fashioned love song  
One I'm sure they wrote for you and me

Just an old fashioned love song  
Coming down in three part harmony  
Just an old fashioned love song  
One I'm sure they wrote for you and me

Just an old fashioned love song  
Coming down in three part harmony  
Just an old fashioned love song  
One I'm sure they wrote for you and me

Just an old fashioned love song  
Coming down in three part harmony  
Just an old fashioned love song
