If you're lonely,  
If you're missing one piece  
If you need a best friend  
If you want to share your believes

If you want to know me  
If you want the real deal  
There's no one like me  
Who makes you feel so real

Just write to me I'm waiting  
I'd love to hear from you  
I'm tired of dreaming the same old things  
And need a sign from you

I'm a single female rockstar  
And I'm waiting for true love  
I need to have a real man  
Who lifts me higher up

I'm just a normal girl  
And I like to sing some songs  
If you like to play with me  
And feel my heartbeat grow

Just write to me I'm waiting  
I'd love to hear from you  
I'm tired of playing with myself  
And need a touch from you

I'm a single female rockstar  
And I'm waiting for true love  
I need to have a real man  
Who lifts me higher up
