See the girls walk to the beach  
Hand in hand and you will see  
These girls are proud to be...  
Blonde and tanned royalty

Amy says she wants to swim  
Stacy says I like your tan  
You know they only think  
One thing

Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah

Spending their days at the mall  
With Credit cards from their moms  
Make up, dresses and perfume  
One hectic afternoon

Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah

Amy knows what Stacy said  
Stacy knows what Amy said  
The girls know what to do and  
Walk around thinking ah ah ahh

Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah  
Ah aah ah ah ah

Amy knows what Stacy said  
Stacy knows what Amy said  
The girls know what to do and  
Walk around thinking ah ah ahh
