Heathcliff, Heathcliff, no one should...  
Terrify their neighborhood.  
But Heathcliff just won't be undone  
Playing pranks on everyone.

There's a race to be on top.  
The competition doesn't stop.  
Mixing with the ladies fair  
Being charming, debonair.

The gang will reign supreme  
And no one can deny-y-y-y.  
They'll make some history  
And always have an alibi-i.

So join in the jubilee  
The cats are great, they'll all agree.  
Find in each calamity  
The cats superiority.

Hooo ho ho ho ho hoooo ho hooo  
Ho ho hoooo ho hooo ho ho hoooo ho ho.

Heathcliff, Heathcliff, no one should...  
Terrify their neighborhood.  
But Heathcliff just won't be undone.  
You should realize he can win it with you!
