Millions of people all over the world worship for  
different gods  
But What is the God? What the holy fathers teach them  
?  
They teach to be resigned to fate...But What is Fate?  
They teach to be humble, submissive...  
They grow the weak willed herd of sheeps...

Hey! Proud nation!  
Think what happens with your mind!  
Who controls your own souls?  
What operates your lives?

Hey! Proud people!  
where's your lost freedom?  
Your thoughts and your words  
don't belong to you any more...

Born to be Free...  
Like wind in skies...

Born to be Strong...  
Now close Your eyes...  
Proud name The Man  
Should not be lost  
Remember...  
Hold it in the memory  
of your hearts

Thousands years they inspired you the fear to God's  
punishment  
Rebellious was burned down on fires  
Thousand years they killed in you the sprouts of  
wisdom  
No more! Brothers! Now your time to rise!

Your God in Your Mind  
You're owner of your soul the master of heart filled by  
freedom.  
Stop the Madness of lie, and use your best right  
To use your best right  
To be yourself!!!!
