I'm going to make a change, for once in my life
It's going to feel real good, going to make a difference
Going to make it right.

As I, turn up the collar on my favorite winter coat
This wind is blowing my mind
I see the kids in the street, with not enough to eat
Who am I, to be blind? Pretending not to see their
needs
A summer's disregard, a broken bottle top
And a one man's soul
They follow each other on the wind ya' know
'Cause they got nowhere to go

That's why I want you to the mirror
(The man in the mirror)
I'm asking him to changing
(Change his ways)
And no message step by step
Could have been any clearer
If you want to make the world a better place
(If you want to make the world a better place)
Take a look at yourself, and then make a change
(Take a look at yourself, and then make a change)
(Na na na, na na na, na na, na nah)

I've been a victim of a selfish kind of love
It's time that I realize
That there are some with no home, not a nickel to loan
Could it be really me, pretending that they're not
alone?

A willow deeply scarred, somebody's broken heart
And a washed-out dream
(Washed-Out dream)
They follow the pattern of the wind, ya' see
Cause they got no place to be

That's why I'm starting with the mirror
(The man in the mirror)
(Ooh!)

I'm asking him to changing
(Change his ways)
(Ooh!)
And no message step by step
Could have been any clearer
If you want to make the world a better place
(If you want to make the world a better place)
Take a look at yourself and then make a change
(Take a look at yourself and then make a change)

Mirror
(The man in the mirror)
(Ooh!)
I'm asking him to changing
(Change his ways-Ooh!)
And no message step by step
Could've been any clearer
If you want to make the world a better place
(If you want to make the world a better place)
Take a look at yourself and then make that...
(Take a look at yourself and then make that...)
Change!

Mirror,
(Man in the mirror-Oh yeah!)
I'm asking him to changing
(Change his ways)
(Better change!)
No message step by step
Could have been any clearer
(If you want to make the world a better place)
(Take a look at yourself and then make the change)
(You got to get it right, while you got the time)
('Cause when you close your heart)
You can't close your... your mind!
(Then you close your... mind!)
That man, that man, that man, that man
With that man in the mirror
(Man in the mirror, oh yeah!)
That man, that man, that man
I'm asking him to changing
(Change his ways)
(Better change!)
You know... Those man
No message step by step
Could have been any clearer
If you want to make the world a better place
(If you want to make the world a better place)
Take a look at yourself and then make a change
(Take a look at yourself and then make a change)
Hoo! Hoo! Hoo! Hoo! Hoo!

Na na na, na na na, na na, na nah
(Oh yeah!)
Going to feel real good now!
Yeah yeah! Yeah yeah! Yeah yeah!
Na na na, na na na, na na, na nah
(Ooooh...)
Oh no, no no...
I'm going to make a change
It's going to feel real good!
Come on!
(Change...)
Just lift yourself
You know
You've got to stop it. Yourself!
(Yeah! -Make that change!)
I've got to make that change, today!
Hoo!
(Man in the mirror)
You got to
You got to not let yourself...
Brother...
Hoo!
(Yeah! -Make that change!)
You know-I've got to get that man, that man...
(Man in the mirror)
You've got to
You've got to move! Come on! Come on!
You got to...
Stand up! Stand up! Stand up!
(Yeah-Make That Change)
Stand up and lift yourself, now!
(Man in the mirror)
Hoo! Hoo! Hoo!
Aaow!
(Yeah-Make that change)
Going to make that change... come on!
(Man in the mirror)
You know it!
You know it!
You know it!
You know...
(Change...)
Make that change
