I need to know
How do you do
And do you miss me a lot
(I need to know)
I need an answer

You're still breathing in my mind
You breathe in and breathe out
You're still talking in my mind
It's a simple question
But you just don't answer

I need to know
How do you do
And do you miss me a lot
I need an answer

I know you are still around
You breathe in and breathe out
If I close my eyes you are
Sitting in front of me at the kitchentable

I need to know
How do you do
And do you miss me a lot
I need an answer

So I need to know where you are and we can speak
again
Oh yes I'll be looking for you until we had a talk

I need to know
How do you do
And do you miss me a lot
(I need to know)
I need an answer

I need to know
(I need to know)
How do you do
And do you miss me a lot

(I need to know)
I need an answer

I need you're answer
