When I saw you guys dancing in the sun, a shadow fell  
on my heart  
You were the worst mistake she ever made

And she laughed too loud at your jokes, yes I know you  
were funny  
But I couldn't laugh... because I knew where it would  
lead.

Now the anger has drowned out all the jokes, she  
doesn't laugh anymore  
See the pain in her smile

And she's tried, yes she's tried to run away, but you  
would not let her go  
You are her ball and her chain

Now I wish you were dancing in the sun, but the steps  
were all wrong  
So release her from her chains now

With your jokes you imprisoned her heart, you never  
gave her a chance  
She never knew you couldn't dance...

Now the anger has drowned out all the jokes, she  
doesn't laugh anymore  
See the pain in her smile

And she's tried, yes she's tried to run away, but you  
would not let her go  
You are her ball and her chain

Now I wish you were dancing in the sun, but the steps  
were all wrong  
So release her from her chains now

With your jokes you imprisoned her heart, you never  
gave her a chance  
She never knew you couldn't dance...
