I got lasers shooting all around  
Green to the yellow to the orange to the brown  
You don't like me? Well I don't really care  
I got the baddest guns on the east coast yeahhhhhhh

Shoot me with your pistol  
Just try, I'll shoot ya 3 times with lasers in the eye  
So get on the floor, and do that dirty dance  
Do that dirty dance like you got lasers in your pants!

(Chorus)  
I got lasers on my hands  
Lasers on my hands  
Lasers on my hands  
Lasers what?! Lasers where?!  
I got lasers on my hands  
Lasers on my hands  
Lasers on my hands  
Lasers what?! Lasers where?!

Some people think I'm Mega Man  
Because I got a cannon on my hand  
But I don't wear blue and I don't have many friends  
(YOU A LOSER!)  
Yeah you betta bet I is  
But I got lasers on my hands so I don't need friends

Everywhere you see me there's lasers all around  
And if one happens to hit you you'll fall to the ground  
People think I'm joking when I talk about my hands  
So then why don't you meet up with me so you know  
who I am

(Repeat Chorus)
