All alone on a sunday morning

Outside I see the rain falling

Inside I'm slowly dyin

But the rain will hide my cryin

Cryin, cryin and you

(hook)

Don't you know my tears will burn the pillow

Set this place on fire cause I'm tired of your lies

You were the one who left me neglected

(chorus)

Now I'm all cried out

Over you

(Antoine)

Ooooooooooh,I'm over you ohhhh yeah baby

Never wanted to see things your way

I had to go astray

But why was I such a fool(Why was I such a fool)

Now I see the grass is greener

But it's too late for me

To find my way home

How could I be so wrong(Leavin' me all alone)

(hook)

Don't you know my tears will cause an inferno(Tears will  
cause an

Inferno,baby)

Set this place on fire why should wait?(Why should I)

You were the one who left me neglected

(chorus)

Now I'm all cried out(I'm all cried out)

Over you

(Antoine & B2K)

Oooooooooooooooooohh,I'm over you
