**(feat. Bilal)**

*[Tweet:]*

Best friend of mine, we're closer than close  
Something very rare to find, we're opposite sexes  
We can talk about anything, that's why I love you  
And it's hard to try to hide what I'm confessing  
That I can't help it, I'm so into you  
You send me to the sky  
Keep me breathless, oh I'm wanting you  
And I can't deny it  
I want to be more than this

Cause you give me reason  
To fall in love again, but I'll leave it as it is now  
For another day, for another day

*[Bilal:]*

Best friend of mines, knows what to say  
Any time of the day, that's why I call her  
She turns me on, ain't afraid to show it neither

Cause baby I'm still a man and you know you want to  
too  
Cause you take me higher now I'm breathless man  
Do you even know that this lust is growing without you  
knowing  
Hey I wanna show yo ass

You give me reason  
For another day, for another day

*[Tweet:]*

For another day  
Something won't let me be, how can we go on

*[Bilal:]*

Let me lay with you while it's full grown

*[Tweet:]*

You know I want more from you

*[Bilal:]*

You give me reason for another day

*[Both:]*

for another day  
dayyyyyyy  
for another  
dayyyyyyy

*[Bilal:]* you give me reasons

*[Both:]* for another day
