Are you ready? Are you ready?  
I hope you're ready

Are you ready? Cause I am  
Said I'm ready to party yea  
Grab your coat, get your keys  
Cause whatever you're drinking  
It's on me (It's on me)  
Stay here if you want to, say what you want  
But I gots to party, I needs me a party  
Came here to get ya, and I can't wait  
To grab me a partner and cut a rug up 2nite

I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite

Are you ready?  
Are you ready?  
I know you're ready

Are you ready? Here we are  
Said we're off in the party yea  
Let me wet my throat, get 2 or 3  
Then it's off to the dance floor  
Follow me  
Stand if you want to, stare if you want to  
But I got to party, I'm up in the party  
Glad that I got ya, and it's alright  
You got you a partner, so cut a rug up 2nite

I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite

Dance cause you want to  
Rock cause you have to  
Cause ain't it a party  
It's sho 'nuff a party  
Told you I had ya, and we just might  
Find another party, and cut a rug up 2nite

I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite

Move your hips from side to side
