Are you ready? Are you ready?  
I hope you're ready  
Are you ready? Cause I am  
Said I'm ready to party yea  
Grab your coat, get your keys  
Cause whatever you're drinking  
It's on me  
Stay here if you want to, say what you want  
But I gots to party, needs me a party  
Came here to get ya, but I can't wait  
To grab me a partner and cut a rug up 2nite  
I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite  
Are you ready?  
Are you ready?  
I know you're ready  
Be ready here we are  
Said we're off to the party yea  
Let me wet my throat, get 2 or 3  
Then it's off to the dance floor  
Follow me  
Stand if you want to, stare if you want to  
But I got to party, I'm up in the party  
Glad that I got ya, and it's alright  
You got you a partner, and cut a rug up 2nite  
I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite

Dance cause you want to  
Rock cause you have to  
Cause ain't it a party

Sho 'nuff a party  
Told you I had ya, and we just might  
Find another party, and cut a rug up 2nite  
I found a place yea  
Where we could boogie, boogie 2nite  
I found a place yea  
Where we could boogie, boogie 2nite  
Move your hips from side to side
