Look at me, tell me what you see  
Yeah, do you think I'm loved  
It's so unclear

What happened here  
And I want the truth because  
Time that have is growing short  
And I love you like my next breath  
But if our future won't  
I wish the best for you  
And nothing less, o-o-oh

Could've made it better  
Shoulda let you know

Oh I found  
Look at me, tell me what you see,  
DO you think of love  
It once was beautiful, but now I have no clue  
What's left for us?  
Time that we shared, always growing slim  
Slim about the day  
Let's put our minds at ease  
Work it I'ma leave  
It goes our ways

Could've made it better  
Shoulda let you know  
Why, why, why

I could've made it better  
I Shoulda let you know  
Oh my, what happened to us?  
I thought we would stay forever  
What happened to us?  
What happened to us?  
I remember us  
I still remember us, and I have your talent  
You should be happy though  
You should be happy thougha
