Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone

The world is quiet  
I wouldn't mind  
(I wouldn't mind)  
Mere conversation, can you be my ride?

What's your fare?  
Yeah  
Mister can you take me there?  
Can you break above? All I ask you is

Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone

Turn the radio down a bit  
(Smoking cigarettes)  
Would you be so kind to stop at a station  
(Kind)

I see the sign 'cause you need some air  
Yeah  
Mister can you take me there  
You can keep the buck, all I ask you is

Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone  
Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone

And I know he's watching the time, yeah yeah  
Told him I would make it  
Make it, yeah  
Just get me there safe  
(Get me there safe)

Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone  
Taxi, take me to his home  
I wanna give him all of me 'cause I'm alone  
Take me there
