Today's the day I choose life instead of love  
Trade away my new meaning for what was  
We started on the fifth of September  
and ooh never knew love before  
and now its just to bad to remember

And all I want  
Threw heartache out of the window  
You stayed much to long  
So you need to blame it on indo  
Our happy home's long gone, long gone  
And there's no turning back  
hey, because I'm free

Get away (move on)  
I got to many things to see  
Get away (move on)  
I know that your not whats best for me  
Get away (move on)  
I got to many things to see  
yeah, I'm free

Today's the day I choose life instead of love  
Trade away my new meaning for what was  
You say I'll never make it out without you  
But boo, my feet's already out the door  
Forget your whole name if I have to  
So long for sure

Pushed heartache out of the window  
You stayed much to long  
So you need to blame it on indo  
Our happy home's long gone, long gone  
And there's no turning back  
Oh woah, because I'm free yeah

(chorus 2x)

Ooh, get away, get away  
Get away, ooh oh oh get away  
Bye bye
