Rain is gone, I feel the wind  
Brightest stars shinin' in  
A new life for love has come through  
Wish I had the words to describe  
Ridged feelin's, I'm so alive  
Let me tell you what I gained since leaving you

(Feels just like Heaven)  
And a sunny day  
(Definetely Heaven)  
And a sunny day  
(Feels just like Heaven)  
And a sunny day  
(Basically Heaven)  
And a sunny day

No more breathin' down my back  
Not too sure how to act  
Or even waitin' for you to say I love you  
(I love you)  
I kiss myself and say a prayer  
And feel the point of lovin' when you were here  
Lovin' me means more than losin' you

(Feels just like Heaven)  
And a sunny day  
(Definetely Heaven)  
And a sunny day  
(Feels just like Heaven)  
And a sunny day  
(Basically Heaven)  
And a sunny day

(Feels just like Heaven)  
And a sunny day  
(Definetely Heaven)  
And a sunny day  
(Feels just like Heaven)  
And a sunny day  
(Basically Heaven)  
And a sunny day

Oh I'm in Heaven  
(Oh, I'm in Heaven, never get me out)  
Oh I'm in Heaven  
(Oh, I'm in Heaven, never get me out)  
Oh I'm in Heaven  
Oh I'm in Heaven

Feels just like Heaven  
Definetely Heaven  
Feels just like Heaven  
(Oh I'm in Heaven)  
Basically Heaven

Feels just like  
(Oh, I'm in Heaven)  
Definetely  
(Oh, I'm in Heaven)  
Feels just like  
(Heaven)
