### 1st Verse

Did you know, did you know  
When I'm alone I  
Sit and think of you  
I wanna be with you

I cant control it, for you I long (?)  
But I don't know why  
Im scared of lovin' you  
What am I to do

### Chorus

Ooooo What do I do  
Im so confused  
Do I love again? (love again)

Ooooo What do I do  
Im so confused  
Do I love again? (love again)

### 2nd Verse

Am I supposed to let go  
I don't wanna be a fool for you  
It's not what I wanna do  
Why is it so difficult  
I guess I'll just take it slow  
And be strong

When it comes to love  
I don't have a clue

### Chorus

Ooooo What do I do  
Im so confused  
Do I love again? (love again)

Ooooo What do I do  
Im so confused

Do I love again? (love again)

I gotta be real honest  
I do, when it comes to lovin' you  
Theres somethin' in my heart that's  
Tellin' me to take a chance  
But then I find some excuse  
Why is it so hard...to love again?  
And love again...

Ooooo What do I do  
Im so confused ( I gotta get it together, tell me why)  
Do I love again? (love again)

And I don't wanna live without ya  
Dont wanna live my life without ya  
Just cant think without ya

Don't wanna live my life without ya
