Ohh...what to say...
I remeber when we started

(Ohh)So much to say...
And the exact time it ended

My life was in shambles

(Ohh)So much to say...

And no place to mend it

(Ohh)what to say...
A hand full of pills
And a plan B

I wanted nothing to do with life
Or what was to become of me

What to say...
Loved no more

So was to say..

Float away
To the sounds of a sothern humming bird
A sothern humming bird...hum
