[INTRO]

See, I was lookin' for a love to call mine
But instead I found you (you, you, you youuuuu, oh)
And it was just a true waste of my time
And lovin' we mess up (so), but how come with you?

[VERSE 1]

See, I was lookin' for a love to call mine
But instead I found you (you, you you youuuuu, oh)
And it was juuust a true waste of my time
And lovin' we mess up (so), but how come with you?
Sometimes I flip and ask myself why it had to be you
(you, you, yooouuu, oh)
But then I get a grip, it was all a lie
And love was so precious until I met you

[CHORUS]

I don't know why I saw a price in you, youuu
Every night I close my eyes, oh it's alright
I lose my sight of you

[VERSE 2]

Someone is bound to come along and do time

And do better than you (you, you, yooouuu, oh)
And I won't be left alone, he'll love me for life
And surely not careless, selfish like you
How the strength in me has grown
And I realize I don't need you (you, you, yooouuuu, oh)
Disrespect you've shown, you can run and hide
But all of what happened will come back to you

[CHORUS]

I don't know why I saw a price in you, youuu
Every night I close my eyes, oh it's alright
I lose my sight of youuuu

Oh, I'm movin' on, yeah yeah
Makin a new start(a new start), yeah
I've lived a life and surely it won't be with you

[CHORUS]

I don't know why I saw a price in you, youuu
Every night I close my eyes, oh it's alright
I lose my sight of you

I don't know why
It's not about you no more
