[Verse 3: Ne-Yo]

Ayo Walt, I don't normally do this
But it's a special occassion so here we go
Hold up a second playa
I've been peepin the scenery
You want the cutie smiling at you in the cafeteria
I see your movements
I peep your mini mackin
But there's a couple different ways that you can make it
happen
You ain't the average running up on her as she walk
And plus you is R&B so you ain't even gotta talk
Writing it down has always helped me out when trying
to get her
So you don't gotta sweat her
Think about it, find a pen and put it in a letter

[Chorus]

So I'm gonna put it in a letter (ohh)
Leave it in your locker (ohh)
Wait for you to hollaback
And let me know if your down with that
So I'm gonna put it in a letter (ohh)
Leave it in your locker (ohh)
Wait for you to hollaback
And let me know if your down with that

Uw uw uw uw
Yea yea yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
Yea
