Mic Little ft. Ne-yo
Put It In A Letter

[Ne-Yo]

Compound is in the building
Ayo Walt you got one wit this one dawg
What's goin on everybody, it's your boy Ne-Yo
I want to take this time to introduce ya to somebody
special
Now when I say special I mean unique
His name is Mic Little and he got something to say
Yo Mic talk to the people

[Verse 1]

Uw uw uw uw
Yea yea yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
Yea
Lately I been tryna tell ya somethin
Tryna find the nerve but nothin come to say it
I really really wanna know you (know you)
See you all the time you wit ya homegirls
And I'm knowin that they probably gonna hate
If I try to approach you too

[Chorus]

So I'm gonna put it in a letter (ohh)
Leave it in your locker (ohh)
Wait for you to hollaback
And let me know if your down with that
(2x)

[Verse 2]

Baby this is know how to tell ya like me
Circle yes or no or even maybe
This is somthin deeper (deeper)
All I want is for us to be together

But first I gotta meet cha

[Chorus]

So I'm gonna put it in a letter (ohh)
Leave it in your locker (ohh)
Wait for you to hollaback
And let me know if your down with that
(2x)

[Verse 3: Ne-Yo]

Ayo Walt, I don't normally do this
But it's a special occassion so here we go
Hold up a second playa
I've been peepin the scenery
You want the cutie smiling at you in the cafeteria
I see your movements
I peep your mini macking
But there's a couple different ways that you can make it
happen
You ain't the average running up on her as she walk
And plus you R&B so you ain't even gotta talk
Writing it down has always helped me out when trying
to get up
So you don't gotta sweat her
Think about it, find a pen and put it in a letter

[Chorus]

So I'm gonna put it in a letter (ohh)
Leave it in your locker (ohh)
Wait for you to hollaback
And let me know if your down with that
(2x)

Uw uw uw uw
Yea yea yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
Yea
Aw yea (aw yea)
