With Lenny White

If you're feeling hungry
Ain't got nothin' to eat
Show me to the kitchen
Peanut butter can't be beat

Dancing to the music
(Make me a peanut butter sandwich baby)
Feeling fancy free

Spread it with some jelly
(Peanut butter)
Let's eat and meet

Share, share with me
Peanut butter ain't nothing but a sammich
You see

Share, share with me
Peanut butter ain't nothing but a sammich
You see

Share, share with me
Peanut butter ain't nothing but a sammich
You see

If you're feeling hungry
Ain't got nothin' to eat
Show me to the kitchen
Peanut butter can't be beat

Dancing to the music
(Make me a peanut butter sandwich baby)
Feeling fancy free

Spread it with some jelly
(Peanut butter)
Let's eat and meet?

Share, share with me
Peanut butter ain't nothing but a sammich

You see

Share, share with me
Peanut butter ain't nothing but a sammich
You see

Share, share with me
Peanut butter ain't nothing but a sammich
You see

Can I have a peanut butter?
Of course you can
Can I have a peanut butter?
Of course you can

Can I have a peanut butter?
Of course you can
Can I have a peanut butter?
Hell yeah

Can I have a peanut butter?
Of course you can
Can I have a peanut butter?
Of course you can

Can I have a peanut butter?
Of course you can
Can I have a peanut butter?
Hell yeah
