"Screen"

I do not know why I would go
In front of you and hide my soul
Cause you're the only one who knows it,
Yeah you're the only one who knows it

And I will hide behind my pride
Don't know why I think I can lie
Cause there's a screen on my chest
Yeah there's a screen on my chest

I'm standing in front of you
I'm standing in front of you
I'm trying to be so cool
Everything together trying to be so cool
[x2]

I can't see past my own nose, I'm seeing everything in
slo-mo
Look out below crashing down to the ground just like a
vertical locomotive
That's a train, am I painting the picture that's in my
brain?
A train from the sky, locomotive, my motives are
insane
My flow's not great, okay, I conversate with people
Who know if I flow on a song I'll get no radio play
While you're doing fine, there's some people and I
Who have a really tough time getting through this life
So excuse us while we sing to the sky.

I'm standing in front of you
I'm standing in front of you
I'm trying to be so cool
Everything together trying to be so cool
[x2]

We're broken
We're broken
We're broken
We're broken people, oh.
We're broken people, oh.

[x3]

(We're broken
We're broken
We're broken
We're broken people, oh.
We're broken people, oh.)

[x2]

I'm standing in front of you
I'm standing in front of you
I'm trying to be so cool
Everything together trying to be so cool

[x2]
