Hey, hey wouldn't it be great, great  
If we could just lay down and wake up in slowtown  
Today, day I wanna go away, way  
Cause things are too fast now  
I wanna be in slowtown

I put my socks on my feet  
Just so that my soul won't fall through my toes  
And I walk through my door  
Just so I don't fall through the floor

I remember when my brother and other kids from  
neighboring houses would get  
Together I'd ride my bike and my brother would ride  
his. Put cards in our  
Spokes and make our engines sound like traffic. When  
using Pok mon cards  
Please do not use the holographic. So bold and  
fearless and the risks we  
Take, laugh in the face of gravity as it's laws we break  
on trampolines so  
High we'd reach for the sky but I do not look up  
anymore and I don't know  
Why.

I put my socks on my feet  
Just so that my soul won't fall through my toes  
And I walk through my door  
Just so I don't fall through the floor

We're going to fast, fast save us  
We're going to fast, fast save us  
We're going to fast, fast save us now

And I walk through my door  
Just so I don't fall through the floor

Hey, hey wouldn't it be great, great  
If we could just lay down and wake up in slowtown  
Just singing
