I can't take them on my own, my own.
Oh, I'm not the one you know, you know.
I have killed a man and all I know
Is I am on the run and go

Don't wanna call you in the night time
Don't wanna give you all my pieces
Don't wanna hand you all my troubles
Don't wanna give you all my demons
You'll have to watch me struggle from several rooms
away
But tonight, I need you to stay.

Do do do do do do do do do (x6)
Doo

I am up against the wall, the wall
Oh, I hear them coming down the hall
I have killed a man and all I know
Is I am on the run and go

Don't wanna call you in the night time
Don't wanna give you all my pieces
Don't wanna hand you all my troubles
Don't wanna give you all my demons
You'll have to watch me struggle from several rooms
away
But tonight, I need you to stay.

Do do do do do do do do do (x6)
Doo do do do do do

All night under siege from accusations
Cerebral thunder in one way conversation
Ooooh oooooh oooooh ooh ooh ooh

(Whistling)

Don't wanna call you in the night time
Don't wanna give you all my pieces
Don't wanna hand you all my troubles

Don't wanna give you all my demons
You'll have to watch me struggle from several rooms
away
But tonight, I need you to stay.

Tonight, I need you to stay. (x4)
