It's never what it seems to be
It all seems bitter-sweet
And know I'm scared of trying
I guess this is goodbye
The end of you and I
Put the past behind
And lock away the answers!

Can't you see I'm Burning Up, Burning Up
Can't believe you're Giving Up, Giving Up
Can't you see the times we shared
Could Still be there
Can't you see I'm Burning Up, Burning Up
'Cause I won't play this game

No need to tell a lie
No words were set in stone
Two reasons why this ended
Was this meant to be
The end of you and me
We played the cards so right
And now I stand without you!

Can't you see I'm Burning Up, Burning Up
Can't believe you're Giving Up, Giving Up
Can't you see the times we shared
Could Still be there
Can't you see I'm Burning Up, Burning Up
'Cause I won't play this game
('Cause I wont play this game, 'Cause I won't play this
game...)

(Goodbye, Goodbye, Goodbye, Goodbye...)

X2
You said you loved me
Then you left me
Now I'm all alone
When I need you and I dial
You wont pick up the phone

Burning Up, Burning Up
Can't believe you're giving up, Giving up
Can't you see the times we shared
Could still be there
Can't you see I'm...

(Burning up, Burning up, Burning up, Burning up)
This is what happens when you
Let love get the best of you
This is what happens when you
Let love get the best of you

Burning Up! Burning Up!
