So much tension in this room,
As we move in closer
And the space between us two
Getting smaller and Smaller,

For too long, we've been strangers
Just one touch, that all changes,

Woah-oh-oh-oh-oh-oh
We light the fuse tonight
Woah-oh-oh-oh-oh-oh
We've wasted too much time
Got feelings we've been fighting
We both know that it's right so
Woah-oh-oh-oh-oh-oh
Let's Bring this love to life
Let's bring this love

I have never felt so sure
And I can't ignore it
We won't hide it anymore
This is all we wanted

For too long, we've been strangers
Just one kiss, that all changes

Woah-oh-oh-oh-oh-oh
We light the fuse tonight
Woah-oh-oh-oh-oh-oh-oh
We've wasted too much time
Got feelings we've been fighting
We both know that it's right so
Woah-oh-oh-oh-oh-oh-oh
Let's bring this love to life
Bring this love to life

Let something good begin,
Something deep within,
I hope this feeling stays
And never goes away,

Woah-oh-oh-oh-oh-oh-oh
We light the fuse tonight,
Woah-oh-oh-oh-oh-oh-oh-oh
We've wasted too much time,
Got feelings we've been fighting,
We both know its right so,
Woah-oh-oh-oh-oh-oh-oh
Let's bring this love to life
Let's bring this
Let's bring this love
Let's bring this love,
To life.
