Precious is your name.
With your blood you take my shame.
Worthy you are.
God have mercy, break my heart.

Comfort me give me peace,
Make me strong on my knees, I'm on my knees.

Holy God, giving grace.
Keep me humble, on my face.
I'm on my Face.

Sanctify my soul, make me whole, Destroy the Old.

Let the new day begin, in love again, free from sin.
Purity reside.
I can't live without you on my side.
DESTROY THE OLD !!!
