What will you do in the end.
Denied the God of Truth, when you had the chance to
call on him.
You believed the lies, despite everything revealed to
you.
You forsaked God.
And now you're asking for a second chance.
A SECOND CHANCE!

I knew this day would come.
That it would be too late.
Yet I lived in sin, denying that feeling from within.
I had my fun in this world.
Some fun now.
I chose limited pleasure.
Now I must suffer eternal pain.

Your cries can't save you now.
God's promise revealed.
Will you stop to listen.
While you have the chance.

The Pain sets in.
The reality of what's happening, frightens me!
The curses of this world manifest themselves before
my eyes.
Darkness closes in on me.
And I SUFFER !!
I CRY !!
I SUFFER !!
I CRY !!

You killed yourself in this world of lies to find what was
real, but you could not find.
This fleshly world of lies had nothing to feed your soul
from within.
Reality of God will feed your soul.
Reality of God will free your soul.
I thank you God you've freed my soul.
I praise you God you saved my soul.

What will you do in the end.

Will you be obedient, or will you still live in sin.
Cry out to him now while you still have your chance.

CRY !!!
