

Twice Born "Punk Rock Paul"

Visit "[Punk Rock Paul](#)" on MotoLyrics.com

Paul came back from his senior trip with a 14 gauge
running through his lip,
Boy what's your mommy going to say now.
Paul's mom said, "Why'd you do that, what were you
thinking when you did that?"
Paul said, " I'M A PUNK ROCKER!"
Mommy I'm punk rock now!

Some want to judge him for the ring in his lip.
But the ones that judge him are probably hypocrites
(anyway)
But his heart for God is still the same.
This life he lives for Christ will never be in vain...

PUNK ROCK PAUL....mommy I'm punk rock now!

(Note: this song is a true story about our guitar player
Paul.
We all found it really funny so we wrote a song about it)
