Oh, I wake up on a rainy day
I get up and get some thing to eat
I need to do the silverware
But I don't really care...

Oh, the sunlight
Won't shine
Today.
It raining
So hard
Today...
I geuss I'll
Get by
Today.

I need to go to school again
I forgot to get the papers
I still got homework to do
I don't care I geuss I'll flunk!

Oh, the sunlight
Won't shine
Today
It's raining
So hard
Today...
I geuss I'll
Get by
Today.

They say
Make lemonaid out of lemons
But I don't feel like it!
And they say kill 2 birds
With one stone
But I say give those birds
The lives they were givin
But on this day it's rainin'!

So when I wake up on a rainy day
And I get up and get something to eat
I'll walk right past that silverware

Because I know
That the sunlight
Won't shine
It rains hard
You get by
If you don't make
The sunlight
Won't shine
It rains hard
You get by
If you don't make
The sunlight
Won't shine
It rains hard
You get by!
If you don't make the
Sun light.
