Walkin' down the hall
Bein' ignored
No one knows this girl I am inside

It's just another day
Of misunderstanding
It's just another day
In my life
So welcome
To my world...

People question
And give accusations
When you know that your right

It's just another day
Of misunderstanding
It's just another day
In my life
So welcome
To my world...

You just keep movin' on,
Give them your chance.
Soon they'll know that your right!

It's just another day
Of misunderstanding
It's just another day (It's just Another day)
In my life (Of misunderstanding)
It's just another day (It's just another day)
Of misunderstanding (In my life)
It's just another day (It's just another day)
In my life (Of Misunderstanding)
So welcome
To my world... (To my world...)
