[Zack sings:]

Remember the days that you say no to things ain't
going your way?

I bet the fine in your home is to be strict

I've been known for going on 25 years now

I was born and I'll die and that's it

Because you're leaving

You're leaving

You're leaving

You're leaving me

You're leaving me

I bet the looks that you get sent to you weren't fucked
at all

I bet you learn everything that you didn't get

I've been filling that void for 25 years now

I was born and I'll die and that's it

Because you're leaving

You're leaving

You're leaving

You're leaving me

You're leaving me

FUCKED!

TURN IT UP!

FUCKED!

SHUT IT OFF!

FUCKED!
