[Zack sings:]

Dangling on the edge of a lifelong dayshift
Sick of the days but they just don't work

[Sean sings:]

Someone come and pull me out
I never lived a full year

[Zack sings:]

And if it ain't working
Then it's another
So take what you need
With the rest don't bother

[Sean sings:]

Someone come and pull me out
I never lived a full year

[Zack sings:]

And every little need
Ain't your need
But you ain't the only mouth
That you gotta feed
Or find a way to God
You're so wrapped up in it
that you can't survive

[Both sing:]

Your life
It ain't worth
Wasting mine on

Your life
It ain't worth it

[Zack sings:]

No, no, no it ain't!

Thinkng that you're life
At the time is defined by
A hammer and a nail
And you just gotta like it

[Sean sings:]
Someone come and pull me out
I never lived a full year

[Zack sings:]
But you ain't the kind that
Will lose that easy

One thing you got
Is the will to get it right!

[Sean sings:]
Someone come and pull me out
I never lived a full year

[Both sing:]
Your life
It ain't worth
Wasting mine on

Your life
It ain't worth
Wasting mine on

I won't accept
That every day
Will just be thrown away

Because
Your life
It ain't worth
Wasting mine on

[bridge of awesomeness]

Your life
It ain't worth
Wasting mine on

Your life
It ain't worth
Wasting mine on

I won't accept
That every day
will just be thrown away

Because
Your life
It ain't worth

Wasting mine on

The end is coming
