[Sean sings:]

Yeah

[Zack sings:]

Stop waiting for the right time

There's never gonna be a right time

You gotta jump

You just gotta jump

You can't live with your regrets

You can't live with the thought

Of what you could have been

And what you are

[Sean sings:] And what's left in me is

[Zack sings:] So many questions, yeah!

[Sean sings:] Yeah

[Sean sings:] And what's killing me is

[Zack sings:] I don't have the answers, yeah!

[Sean sings:] Yeah

[Zack sings:]

You ain't got

A weak bone

In your body

Because you ain't got

No bones at all

So you rely on liquid inspiration

Because your bloodline's built on alcohol

[Sean sings:] And what's left in me is

[Zack sings:] So many questions, yeah!

[Sean sings:] Yeah

[Sean sings:] And what's killing me is

[Zack sings:] I don't have the answers, yeah!

[Sean sings:] Yeah

[Sean sings:]

You're lying and you don't know where to go  
You're lying and you don't know where to go  
You're lying and you don't know where to go  
You're lying and you don't know where to go

[Zack sings:]  
Yea, you don't know, where to go

[Both sing:]  
You ain't got a weak bone in your body  
You ain't got the means to get ahead  
You ain't got a weak bone in your body  
You ain't got the means to get ahead  
You ain't got a weak bone in your body

[Zack sings:] Because you ain't got  
[Sean sings:] No, you ain't got)  
[Zack sings:] You ain't got no bones at all!

[Sean sings:] And what's left in me is  
[Zack sings:] So many questions, yeah!  
[Sean sings:] Yeah

[Sean sings:] And what's killing me is  
(Zack sings): I don't have the answers, yeah!  
[Sean sings:] Yeah

[Both sing:]  
Yeah  
Yeah
