And they said
You better go back to school
For all the things you never did learn
But your system is over
And I'm gonna let it burn

And you know that they're callin' you
But you don't hear a thing
And you know that they're callin' you
But you ain't listening

Yeah, it's sad to know
That you'll judge yourself
Yeah, it's sad to know
You got no one else

And this life belongs to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do, OH

You better cover up lies
You gotta put them bones away
And your constant depressin'
Is just a cure wrapped up that way

And your future's callin' you
But you don't hear a god-damned thing
And your future's callin' you
But you ain't listening, no
YOU AIN'T LISTENING

Yeah, it's sad to know
That you'll judge yourself
Yeah, it's sad to know
You got no one else

And this life belongs to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do
THERE AIN'T NOTHIN' YOU CAN DO

Yeah, it's sad to know
That you'll judge yourself
Yeah, it's sad to know
You got no one else

And this life belongs to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do
THERE AIN'T NOTHIN' YOU CAN DO
THERE AIN'T NOTHIN' YOU CAN DO
THERE AIN'T NOTHIN' YOU CAN DO
