[Zack sings:]

Your pain inside it is broken  
Your pain inside it is dead  
Your pain inside it is broken  
Your pain inside it is dead

[Both sing:]

It's dead  
It's dead

[Zack sings:]

Your things are packed because your leaving  
But you won't get out of bed  
Because your head is tied to the feeling  
That you ain't going nowhere

You're sitting there like I'm supposed to know  
That your heart don't want no where else to go

[Zack sings:] Well I tried to let you in

[Both sing:] But you don't want in

[Zack sings:] And I tried to give it back

[Both sing:] But you won't take it

[Zack sings:] You're cold, you're loud, you cheat, and  
you ain't ever around

But I can't stand to see you go

You're sitting there like I'm supposed to know  
That your heart don't want no where else to go

I DON'T NEED IT!

(NO!)

So long!

So long!

So long!

[Both sing:]

Your pain inside it is broken  
Your pain inside it is dead  
Your pain inside it is broken  
Your pain inside it is dead

It's dead  
It's dead  
It's dead  
It's dead
