Keep you now
Keep your song...
If you are sad
And you feel so bad...

Turn you, turn you
Turn you on again...
Turn you, turn you
Turn you on the rain...

Come on people
Living for this song...
And you need now
Place for you...

Tell me baby
Tell me now...
Don't cry baby
I love you...

For you I sing
For you this song...
For you my love
I keep the song...
For you this song
Is a best for you...
