Enslaved To The Mind of Lubricious Thoughts
Some people think we've some kind of snots
I don't know about that
Gone To The Wall in Jester Realm
A weird place where bastards hold the helm
Then I joined the Riot Race
Follow my trace to pass the Delirium Veil
You Victim Of Deceit
I'm Into Treason, you see
Nothing can season me
To be a tamed and honoured man
Prefer to do things and deeds they try to ban
Feeling sick at the Seventh Dawn again
The reward of living on the fast lane
Gotta feed your brain
In the Fervor's Frontier At The Forge
Experience it don't praise the goddamn lords
Attend the Masked Ball Dalliance
Go on and dance and there's no Return To Innocence,
no
Shine like the Diamonds Of Mankind
I'm Into Treason, you see
Nothing can season me
To be a pawn of common way
And that's why I have to pay
The price for freedom
Still there's no reason
To be a tamed and honoured man
Prefer to do things and deeds they try to ban
I'm Into Treason, you see
Nothing can season me
To be a pawn of common way
And that's why I have to pay
The price for freedom
Still there's no reason
To be a tamed and honoured man
Prefer to do things and deeds they try to ban
