I decide, deus vult!
Ab aeterno these parasites grow
Ordo inferno words they hide below
To breed like flies, when lies they ramify
Encroach for your soul where filth shall rise
I shall cut the limbs that pray
To blind my eyes stained
Wash the filth away!

Faith of rape, ablution with holy seed
Ordeal incest I failed to fate of Cyane
Fuck your grace, I'm free of cruciate death

Ab aeterno these parasites grow
Ordo inferno words they hide below
To breed like flies, when lies they ramify
Encroach for your soul where filth shall rise

Web of lies to fabricate,
to obfuscate the deeds opaque
Why should I, feed your need of friars to bleed
Fatherhood won't grand you leash creator

Web of lies to fabricate,
to obfuscate the deeds opaque
Pariah from deadend cycle,
usurper of selfbuilt fate

I shine like gods!
