Have you seen the setting sun?
Let darkness obscure all the light
Have you felt the creeping one?
The Dark Angel of the blessed night

...And the sun is shielding you no more
It's time to go...
To the Kingdom of twilight; of pleasure and delight
It's time to go...

Don't hide your fear
Lay down in the circle of candles
From the shadows he will come

Dancing in the light of the moon
So it will be...

Sword carves the flesh
Blood dyeing the ground red
Innocent victim, of ruined mind
Angel of the fallen ones... here is thy desire

...And the sun is shielding you no more
It's time to go...
To the Kingdom of twilight; of pleasure and delight
It's time to go...
