Together we walk from night 'til dawn

I'm the fire which burns
In dark, dark desires
I'm the pain you feel
The pain what I have seen
I'm the wind which blows
Over the sky, in the night

Together we walk, from the night 'til dawn
Through the storms of silence
In the dust of eternity we drown

I'm the darkest one - like a raven of the night
I'm the strongest one - my hands full of blood

Forever I have been, and forever I shall see
Centuries go by, but it's always the same...
Strongest of all: Death, is my name

Night veils their fears - always, I'll be there
I intrude in their dreams - in dark hours of the night
