"Rolling Heads"

Wicked itching down my spine
Now you just have crossed the line
This monkey dances at your will
Ready to play and thrill

Just keep on dancing like a fool
Watch me when I lose my cool
We'll take it back to the Riot Race
I'd love to break your face

Do you think it's easier to breathe so deep in there?
Do you think I'll keep on dancing for your dreams?

Take what you want, take what you need
Keep waiting for the rolling heads
Hide, I'll seek
Just hang the clown, and take them down

Gotta find a quick relief
The swine was talking to the thief
There's a way to satisfaction
To speed and action

Do you think it's easier to breathe so deep in there?
Do you think I'll keep on dancing for your dreams?

Take what you want, take what you need
Keep waiting for the rolling heads
Hide, I'll seek
Just hang the clown, and take them down

Do you think it's easier to breathe so deep in there?
Yes, I think I'll keep on dancing for your dreams

Take what you want, take what you need
Keep waiting for the rolling heads
Hide, I'll seek
Just hang the clown (take what you need)

Take what you want, take what you need
Keep waiting for the rolling heads

Take back that crown
Just hang the clown, and take them down...
