Can you hear me?
Is there anybody out there... But me?
You need to stop talking about yourself.
About yourself...
Your lies are loose and there's no excuse,
No excuse, there's no excuse.
Why don't you, Why don't you kick it?
Why don't you, Why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it
Why don't you, Why don't you kick it?
Why don't you, Why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it
Go Please yourself
Please anybody... But me.
You need to stop talking about yourself.
About yourself...
Your lies are loose and there's no excuse,
No excuse, there's no excuse.
Why don't you, Why don't you kick it?
Why don't you, Why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it
Why don't you, Why don't you kick it?
Why don't you, Why don't you kick it?
When I get a taste, when I get a taste for it
When I get a taste, when I get a taste for it

And is there anybody out there?
Disassemble I'm trying to breathe
Yeah!
Hello... And is there anybody out there?
Hello, hello, hello, hello...
And is there Any body out there?
